

RINGS

Diamonds should shine more and be clearer

The part that marked in red circle is damaged and crooked. Please fix it. For the rest of the ring, please don't change the tone of the ring a lot. It looks okey but please reduce the darken areas

Please center the ring and remove "585"
The dark blue stone should be brighter

Diamonds should shine more and be clearer. Please remove "585" and center the product

The reference color of the ring is below. Ring should be at the center and please remove the “750” hallmark
