We almost couldn't see any change. Model's face has still defects. Please retouch the marked area. We still have some defects and tiny hairs

OK

Please retouch the marked areas again. We still see undesired extra foundation on these areas. Rest is ok.

OK

It looks like you didn't change anything. Please retouch again model's whole face. (Esp. marked area) Too much foundation and defects on some areas.

Still is too shiny could you please
reduce brightness a little bit more ?

ok

Diamonds must shine more
