Judea Collection
Retouching Notes R2
JAN 2024

Angle of light doesn't look right.
Remove the highlight.
Put subtle reflections in edges,
as per reference:

Bring back freckles on neck.

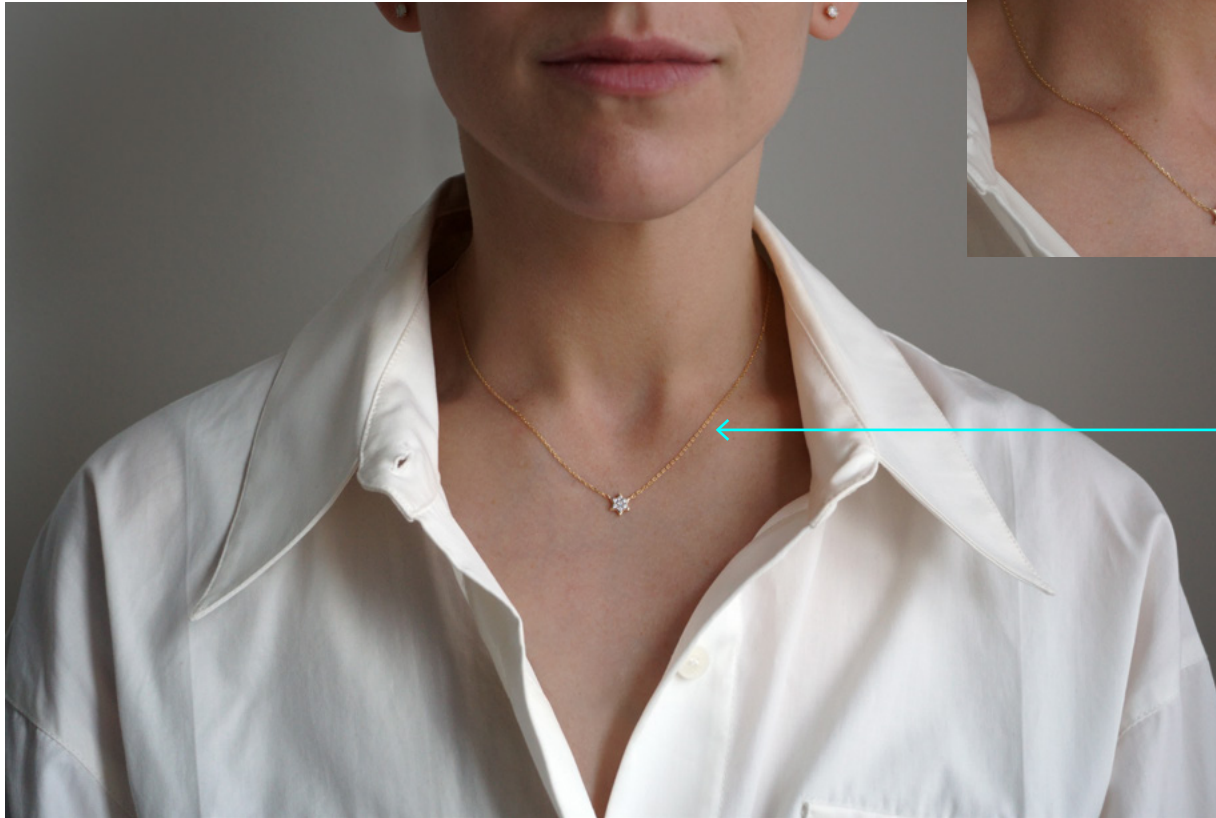

Gold a little too orange in colour. Make like reference above.

Reduce brightness slightly.

White shirt too bright, go back to original.

Bring back freckles on neck.

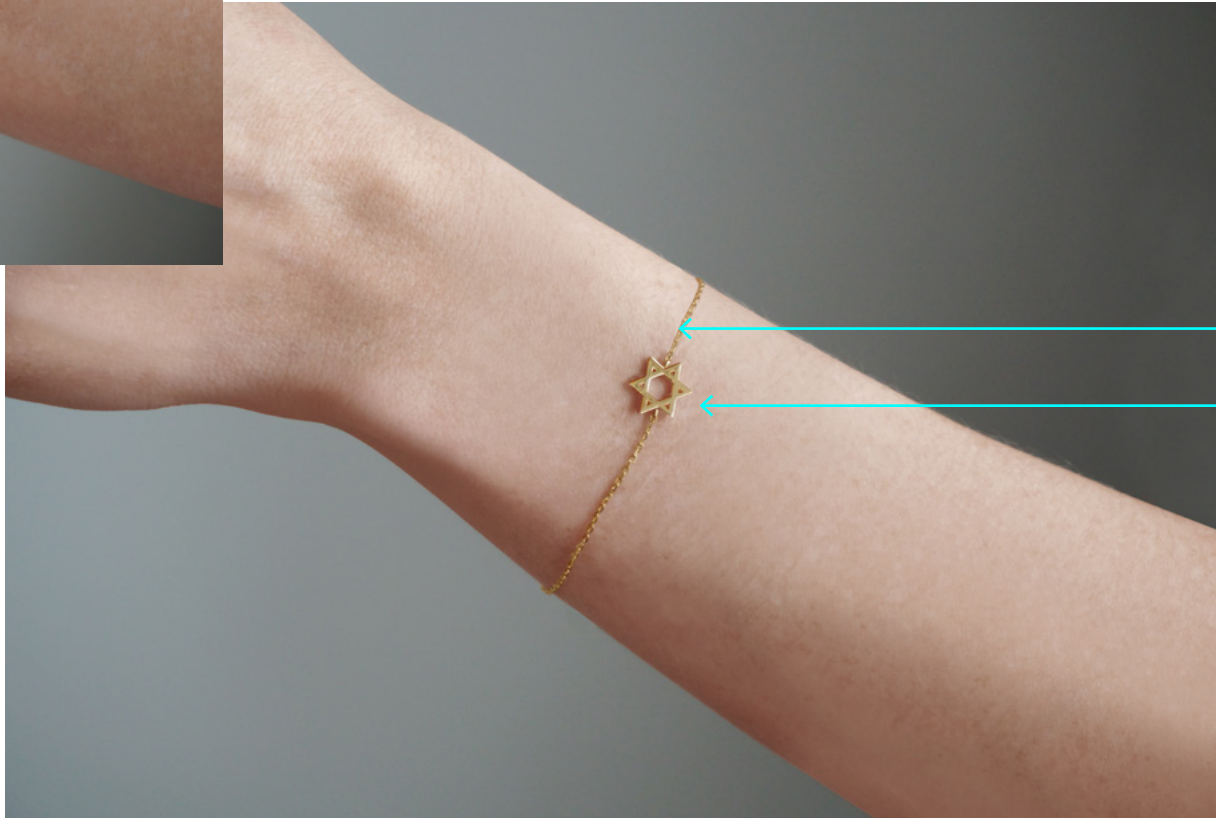

Chain a little too bright
and orange in colour.
Make like reference above.

DSC00050

Skin tone too bright.
Make like image DSC00056, but with more natural skin texture
Bring back some freckles

Put shadow back next to chain.

Do not adjust colour of gold.
Bring back to original.

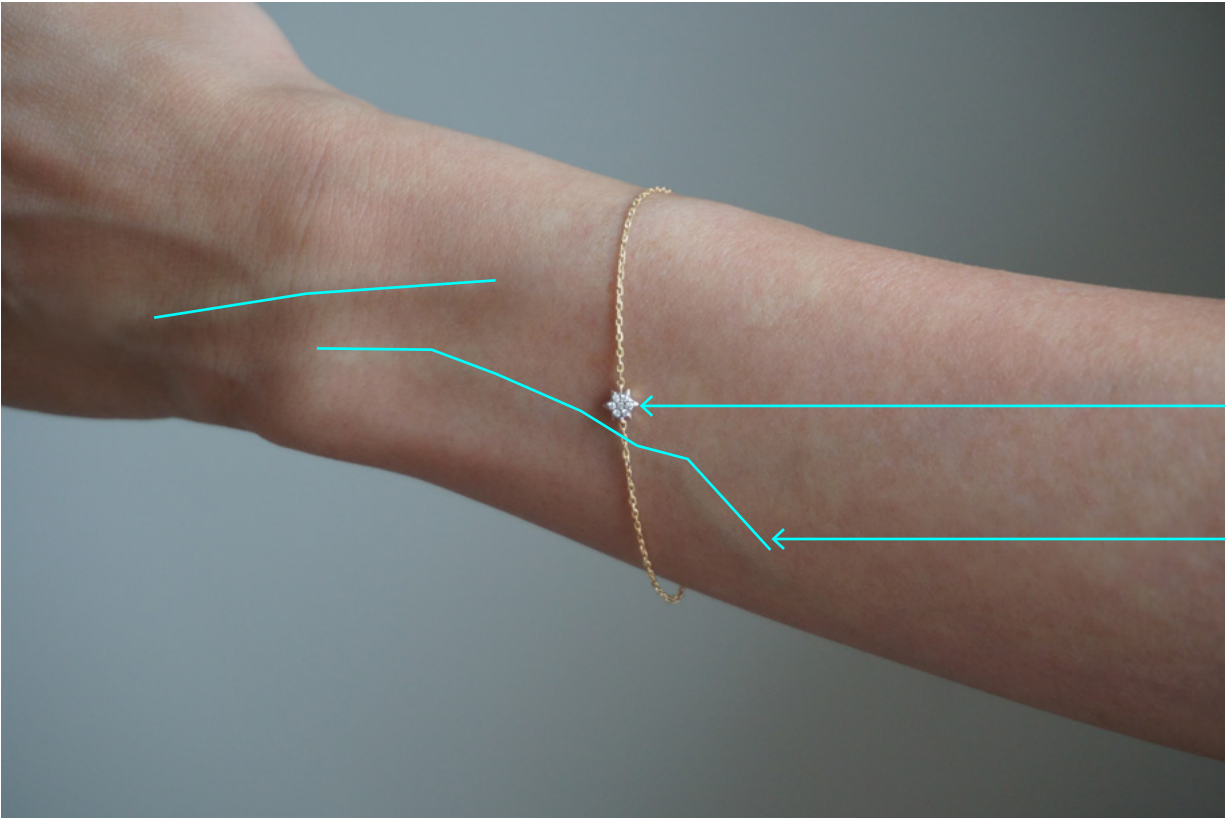

Star still looks too matte.
Give more shine with reflections
as per reference:

Bring back some freckles and natural skin texture.

Make gold in the star edges more yellow, like the chain.

Reduce blue veins

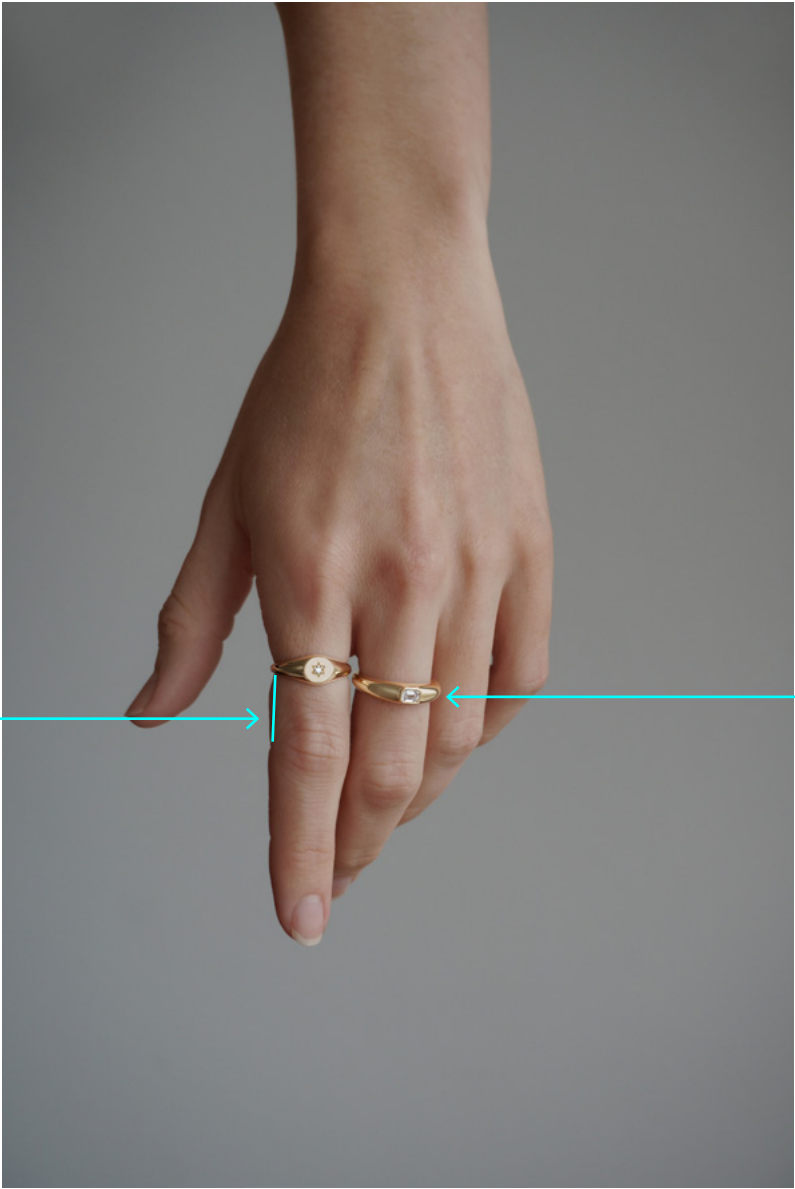

Bring back some freckles.

DSC00914

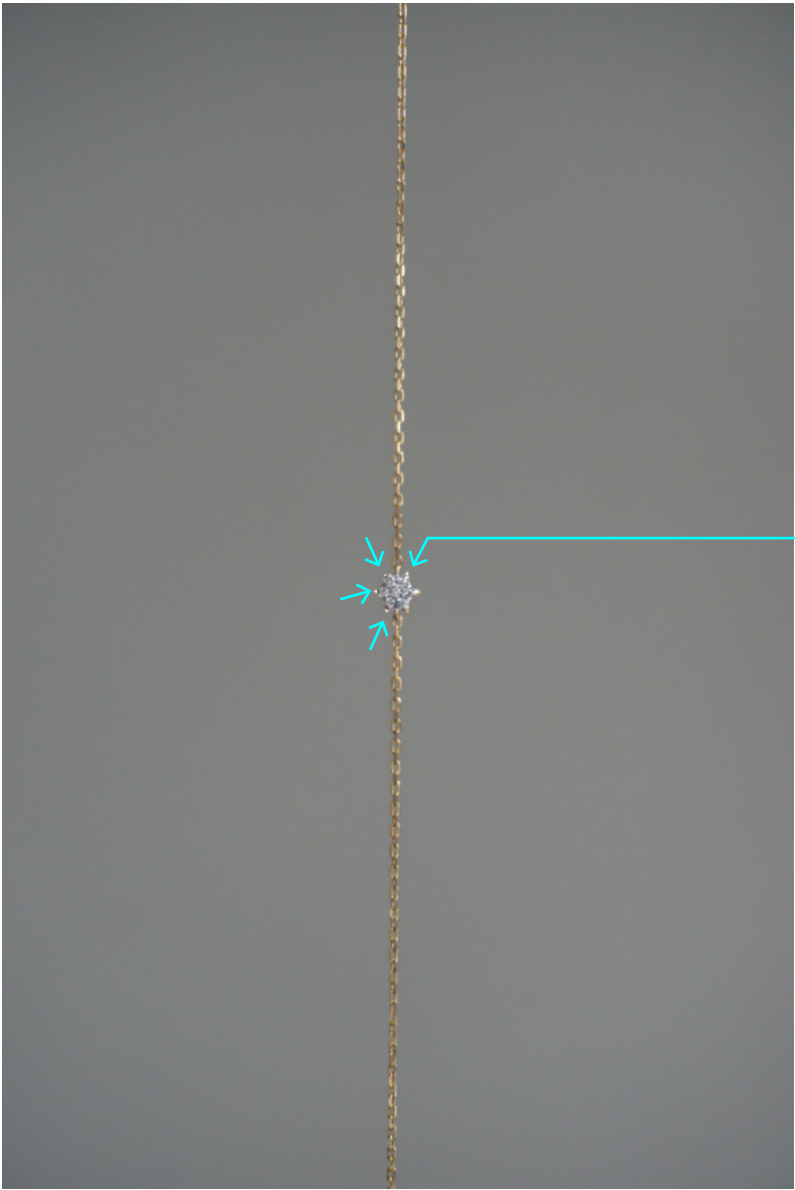

Skin still too bright, go back to original.

Make finger slightly narrower

This ring looks too bright and fake.

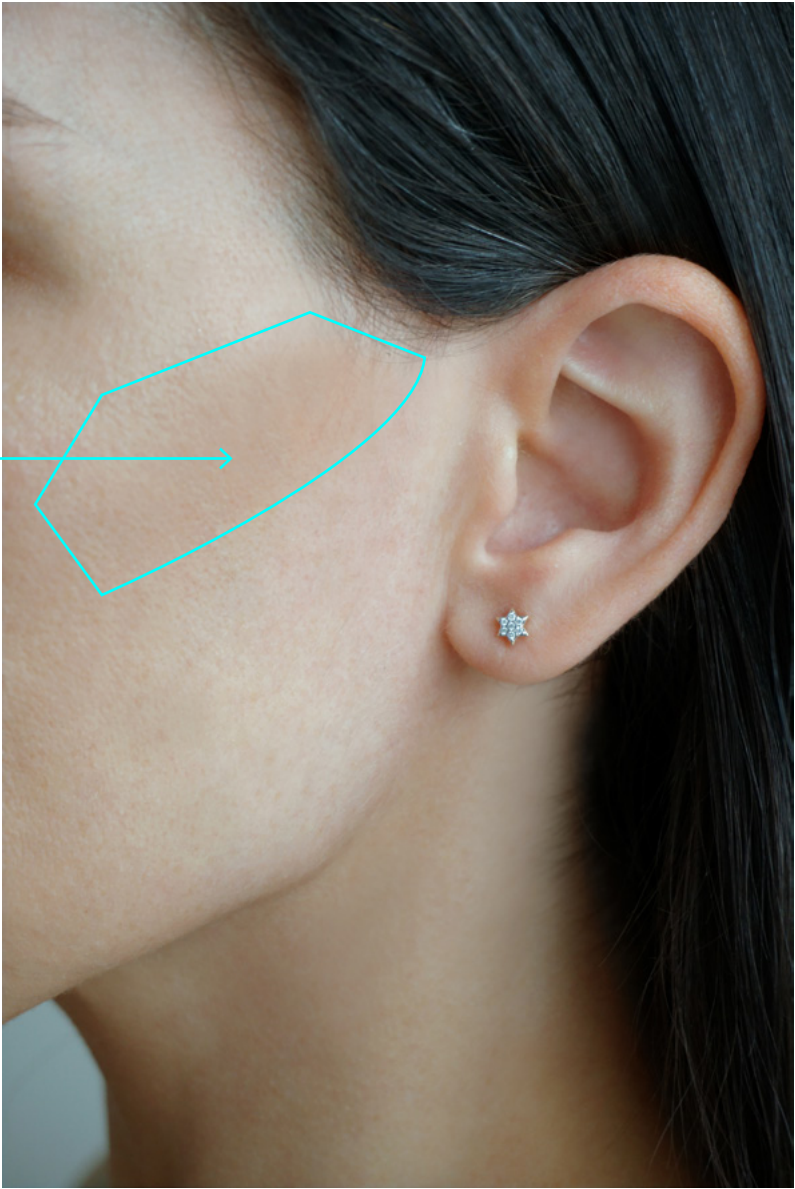

Previous version was better.

Put a highlight on every corner of star to define the shape

Reduce dark patch

Reduce dark reflections
Sharpen edges of star

Make same shade of yellow as DSC01048

DSC00880

Make same shade of yellow as DSC01048.
Do not change anything else.

DSC00875

Make same shade of yellow as DSC01048.
Do not change anything else.

DSC00908

Make same shade of yellow as DSC01048.
Do not change anything else.

DSC01043

Make same shade of yellow as DSC01048.
Do not change anything else.
