Retouching Notes
FEB 2024

Reduce dots in skin in the skin. Ensure it still looks like natural skin texture.

Suman, please don't brush over the skin like this. I have gone back to you with this note for every revision. You know I need it to look real and natural. It is a big of waste of time to keep having ot go back to you with this note. Please.

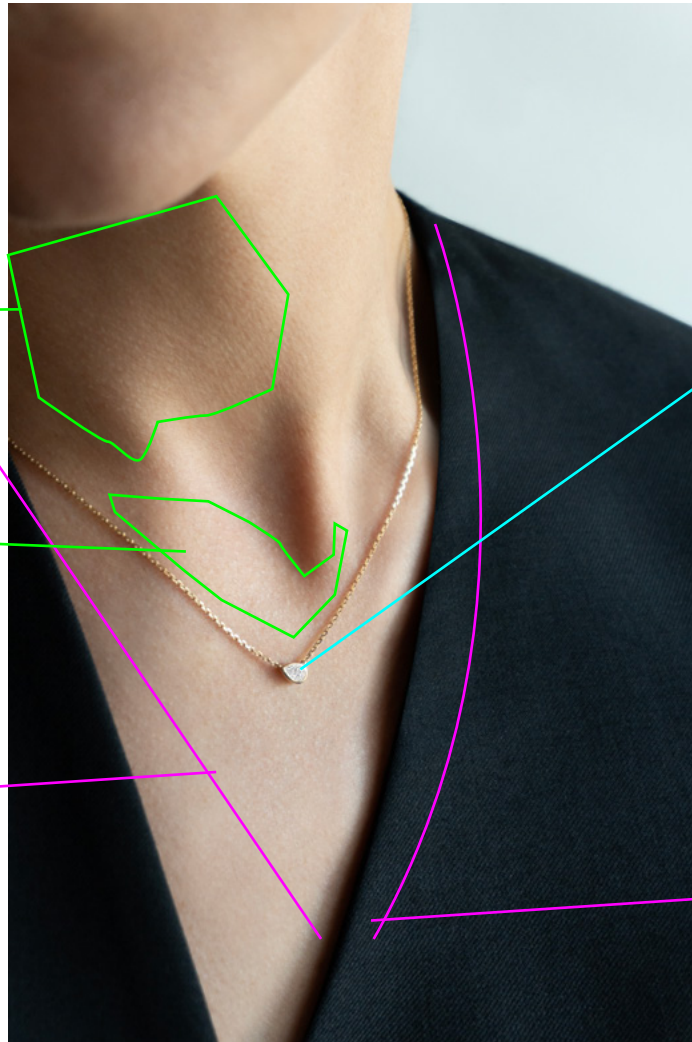

Remove dots on skin, don't airbrush,
keep natural

Remove dots on skin, don't airbrush,
keep natural
